### **Job Description and Qualifications:**

We are currently recruiting for highly technical and experienced operations personnel for our Cambridge facility. Candidates must have 3-5 years of experience in a process-driven manufacturing environment. Ideally you have specific experience in the textile or plastics industry - operation of mills, calenders, coating/printing and lamination equipment. Must be flexible and willing to work rotating shifts (Days, Afternoons and Midnights) as well as overtime. Physical requirements include the ability to perform medium to heavy tasks such as lifting, pushing, pulling on a frequent basis. You have a proven strong work ethic with exceptional employment references.

- Minimum education requirement: High School Diploma;
- Preferred education requirement: Mechanical/technical diploma from a Post-Secondary/College program.

We thank all applicants for their interest. All applications will be reviewed to determine which candidates' education and experience best meets the needs of the position. Only individuals selected for an interview will be contacted. Selected candidates are required to bring a current Police Background Check to their interview.

Job applicants requiring disability-related accommodation in order to participate in the selection process should contact Human Resources to communicate any accommodation requirements. Accommodation will be provided in accordance with Ontario's Human Rights Code.
